## Large Hand Wash Station

### PRODUCT DESCRIPTION >

Ibex Supplies are pleased to introduce our new large hand wash station, it has all the required amenities to help keep your staff and members of the public safe from harmful germs.

The self-contained unit with an easy-fill 45 litre storage tank, provides enough water for up to 225 x 20 second hand washes. This unit is the perfect additional to any environment when taking preventative measures in the fight against Covid-19, the unit includes Soap dispenser, paper towel dispenser, 25L grey/waste water collection drum and waste bin.

The unit is suitable for both indoor and outdoor usage, weighing only 25kg when empty and is easily portable. It's also environmentally friendly manufactured from 70% recycled plastic. There is also capacity for a 5 ltr bottle of soap - no refilling of dispensers required (Dispenser fits directly to jerry can/bottle).
