# SPECIFICATION SHEET

## Slimline Hand Wash Station

### PRODUCT DESCRIPTION >

This slimline all-in-one unit, for hand sanitisation anywhere is manufactured from 70% recycled durable material, these sturdy units are ideal for a wide range of industries and applications.

The unit contains 1x 5 litre hand gel container, tissue or wipes, a waste bin and storage of 1x 5 litre hand gel refill. Ideal for spaces where soap and water is not convenient.

Our self-contained sanitiser station all fits within a 300 x 300mm footprint. It can be positioned anywhere as a sanitise station, either next to an existing water source to wash your hands with soap and water, or with hand gel and tissue/wipes where water isn't accessible.
