## Replacement Chapter 8 Reflective Stickers

### PRODUCT DESCRIPTION >

Due to daily wear and tear your Chapter 8 barriers reflective stripe may have become worn to a level not deemed acceptable.

The replacement reflective sticker has a peelable rear which has a high tack adhesive applied, making replacement quick and easy.

At a length of 1245mm (5 segments) the reflective strips are perfect for most 2m Chapter 8 pedestrian barriers, if a narrower length is required the strips can be cut down to size extremely easy.
